- Included in the next 1x1 and 2x1 hunts are food, guide, lodging, field preparation of trophy for shipment, and all air transportation during hunt dates. Not included are non-resident hunting and fishing license, tags for animals, and air taxi services to and from main camp.
- Included in the non-guided drop off hunts are tent, food, stove, fuel, utensils and air transportation during hunting dates. Not included are non-resident hunting and fishing license, tags for animals, and air taxi services to and from main camp.

Once you have made your flight arrangement to _____ Blaine's Booking & Guide School will arrange your bush flight to the main camp. The approximate cost for this flight will be \$ _____ each person, round trip. Hunting big game is by nature a potentially dangerous sport. Even though my guides are well qualified and experienced we must advise you that we cannot be held liable for your personal safety, loss of, or damages to your property, for any additional expenses, or the negligence of any company or persons entrusted with us. On any hunt, there can be no guarantee that you will bag a trophy. However, a 100% effort is guaranteed. Uncontrollable circumstances are beyond our control. Come prepared and know your physical limitations. Please contact me if you have any questions. If you have carefully read this contract and are satisfied with these arrangements and with the terms and conditions, please sign and return it to me with your deposit.

Sincerely,

Client
